SUGAR TRUST SECRETARY A WITNESS IN WASHINGTON.

He Admits That in the Old Days Have- of gross misconduct, insubordination and meyer Ran the Company and It Was a

WASHINGTON, June 14 Charles R.

of the committee it is evident that they hope to ascertain how Havemeyer, with only nominal stock holding in the sugar corporation, was able to dominate not only that company but the entire sugar refining industry for many years. The committee will also endeavor to ascertain whether or not Mr. Havemeyer's personal fortune was not largely increased through his alleged manipulation of the affairs of the sugar company.

The State Department was moved to acc.

The Rev. C. Here, C affairs of the sugar company.

to look into the circumstances of the acquisition of the sugar refinery at Baltimore about eighteen years ago. According to the minute books of the American Sugar Refining Company, extracts from which were read by Chairman Hardwick stock in the Baltimore refinery was purchased by Mr. Havemeyer and then sold by him to the American Sugar Refining

The committee also asked many ques tions of Mr. Heike to ascertain what Mr. Havemeyer's holdings were in the American Sugar Refining Company and in the satisfactorily explained. Havemeyer's holdings were in the can Sugar Refining Company and in the National Sugar Company. Mr. Heike, however, said he could not furnish any detailed information on this point. Mr. detailed information on this point. Mr. Heike said that Mr. Havemeyer retained control through the proxies obtained from stockholders, by which directors favorable to the Havemeyer management were elected, and these directors in turn kept Mr. Havemeyer in the presidency of the corporation.

TRIP FOR KNOX'S SON.

HIS Father Appoints Him as Secretary to the Special Mission to Venezuela.

WASHINGTON, June 14.—Secretary of State Knox announced to-day the appointment of his son, Hugh Knox, as secre-

corporation.

The members of the committee also went into the transaction by which the American Sugar Refining Company obtained control of the independent sugar refinery which was being built at Philadelphia by Adolph Segal.

Mr. Heike acknowledged that Have-

meyer absolutely dominated the American Sugar Refining Company.

"As a matter of fact," asked Representative Madison, "were not the meetings of the board of directors cut and dried affairs, that is, was not all the business decided upon beforehand, put through at the meetings in a perfunctory manner without discussion?"

"Yes," said Mr. Heike.

"What was the reason for the organization of the American Sugar Refining Company of New York?" asked Mr. Garrett. meyer absolutely dominated the American

Heike.
-When did the American Sugar Re-

"About 1901," replied Mr. Heike. "The beet sugar companies were direct com-petitors of the American Sugar Refining company and it was necessary to go into the beet sugar industry to continue in

sugar business." n reply to a question by Mr. Fordney Heike said that the American Sugar Refining Company did not have a con-trolling interest in the beet sugar in-dustry of the country. Only one director, in the American Sugar Refining Company.

he added, was in the directorate of the beet sugar refineries.

"Do you believe that a removal of duties will decrease the price of sugar?" asked Mr. Fordney

"I believe it would in time," replied Mr.

Heike.
Mr. Heike declined to express an cpinion as to whether the sugar properties consolidated in 1887 into the sugar refineries company were worth \$25,600,000 in stock which was paid for them. Mr Madison endeavored to have Mr. Heike Madison endeavored to have Mr. Heike indicate whether in his opinion the American Sugar Refining Company had not paid more for the refineries it acquired than the actual values of the properties, but Mr. Heike said he was not willing to admit this contention.

"What is the surplus of the American Sugar Refining Company?" asked Mr. Madison.

surplus is \$19.874.000," replied

James M. Beck, counsel of the American dis Sugar Refining Company. "This surplus does not include the let

"This surplus does not include the \$3,500,000 paid to the Government for the settlement of the sugar frauds, &c.?"

Mr. Madison took up the acquisition of the Pennsylvania refinery, owned by Adolph Segal, by the American Sugar Refining Company. Mr. Beck explained to the committee that the American Sugar Refining Company lost \$2,000,000 in the Pennsylvania transaction.

"It was a peculiar financial transaction," said Mr. Beck. "We loaned \$1.-550,000 on the uncompleted refinery and Two the sugar transaction." The sugar transaction of the sugar transaction.

tion," said Mr. Beck. "We loaned \$1,-250,000 on the uncompleted refinery and later we returned the collateral and \$750,000 in addition. The whole transaction cost us \$2,000,000."

"You did this to avoid the treble penalty of the Sherman law?" suggested Mr. Hardwick

Hardwick
"Yes," replied Mr. Beck.

One of these transactions was disclosed by the committee to-day when they began to look into the circumstances of the ac-Affairs Committee, which called on the Department for information as to the speech and to know what action the State Department proposed taking in the matter. Mr. Hamili's resolution was matter. Mr. Hamil's resolution was introduced several days ago, but had attracted little attention until protests came pouring in to the Department from Irish and other patriotic societies in the United States. Consul-General Griffith's standing in the Department is very high. He is considered to be not only efficient in his consular work but discrept in his consular work but the cost, including all elements, approximated a little more than \$22 a ton. Two years ago, in a letter addressed to the ways and Means Committee. Charles M. Schwab made the statement that steel rails could be made at a mill cost of \$12 a ton.

TRIP FOR KNOX'S SON.
